WHY IML (IN-MOULD LABEL) CONTAINERS?

- Enhance visual appeal with 360-degree photographic quality decoration.
- IML Containers elevate your brand appeal as they offer permanent branding that lingers in homes with every container reuse.
- Re-usability of the IML containers ensures high brand recall and increases your repeat orders, which is a key lever to grow your food business.
- Non-scratchable; Non-peelable labeled containers.
- State-of-the art hands-free technology utilizing robotics
- Pharma-grade clean room facility dedicated to producing food-grade containers
- BPA free and Phthalate free hygienic food grade containers.
- Durable and maintain freshness for a longer period
- NO MORE – tapes, spillages, food tampering, food adulteration or unhygienic plastic packaging.
